

CUSTOMER SUCCESS STORY

BENTLEIGH HODGSON RESERVE, BENTLEIGH, VICTORIA

Bentleigh Hodgson Reserve Acrylic Make Over

Grassports Australia turned an old and dull area into an eye catching and bright play space for the entire community to enjoy for many years to come.

Grassports used 100% Australian made *LAYKOLD ADVANTAGE* acrylic surfacing across the entire area in various colours - blue, white and red. Yellow and white line markings were incorporated for 4-square, modified netball and basketball.

The client and community are very impressed with the end results!

Fun environments for active people!
