

CUSTOMER SUCCESS STORY

CRANBOURNE WEST PRIMARY SCHOOL, VICTORIA

Acrylic Sports Courts Upgrade for our friends at Cranbourne West Primary School

Our wonderful returning clients at Cranbourne West Primary School contacted us to upgrade the existing asphalt courts to brand new Laykold Acrylic.

This work continues on from the synthetic turf oval we built last summer. All surfacing products were manufactured within 10km from the school.

Using midnight blue for the courts and dark green surrounds, the court is vibrant and eye catching.

The school and students are excited to get out on the new surface for the 2022 school year.

Fun environments for active people!
