

CUSTOMER SUCCESS STORY

YARRA VALLEY GRAMMAR, VICTORIA

Impressive Sports Facility at Yarra Valley Grammar

Grassports resurfaced and replaced the shock pad on the hockey pitch, that features line marking for another 12 tennis courts. We then resurfaced the 2 x netball courts and a further 8 x tennis courts at Yarra Valley Grammar.

Proudly using 100% Australian made products. The tennis courts were surfaced with top of the range *Probounce Cool Plus*, netball in *Laykold Advantage* acrylic, and lastly the hockey pitch in *Poligras Eco HT*.

The impressive sports facility is one that turns heads and is enjoyed daily by staff and students and competitors on sports days.

We look forward to keeping a strong relationship with Yarra Valley Grammar with ongoing maintenance of the sports facility.
