

CUSTOMER SUCCESS STORY

KARINGAL HUB, FRANKSTON, VICTORIA

Karingal Hub Landscaping Upgrade

Grassports was engaged by Landscape Plus to do the surfacing works at Karingal Hub Shopping Centre. We used 100% Australian made and manufactured Eco Turf Gold on the entire 360m² area and finished off with white sand infill.

The area is extremely popular with the local community and has completely transformed the area into a lush space.

Fun environments for active people!
