

CUSTOMER SUCCESS STORY

MAZENOD COLLEGE, MULGRAVE, VICTORIA

Mazenod College gets a complete makeover

Grassports was awarded the multiple landscaping projects at Mazenod College because they had heard many glowing references from local schools. We are also a proud sponsor of the Australian Catholic Colleges (ACC).

We began with the unused front of school area approx. 320m² and transformed it into a fabulous play area. Firstly, stripping off the old dirt/mulch and constructed then a crushed rock base for the new surface, *Supegrasse Court Turf PE* and incorporated 4 x four-square courts for the students to enjoy.

Next, we created a lunch haven and just a general neater appearance for the school grounds. Using *Comfort 30* landscaping synthetic grass on multiple areas coming to a total of approx. 513m². All products being **100% Australian made** and manufactured within 15 kilometers to the school.

Mazenod College has praised us for our efficient and professional manner while working at the College. We look forward to working with them again in the future.
