

# CUSTOMER SUCCESS STORY

MITCHAM PRIMARY SCHOOL, MITCHAM, VICTORIA

## ***Fantastic Sports Courts Upgrade at Mitcham Primary School***

Returning customer Mitcham Primary School engaged us to upgrade the existing worn asphalt courts. They trusted us with the works because of our strong relationship and past dealings. We constructed their school oval and continue to maintain it on a regular basis.

Grassports supplied and installed **Australian made Supergrasse** Court Turf PE synthetic turf to 2,043m<sup>2</sup>. The courts feature line marking for netball, basketball, and four-square courts with new netball/basketball towers. The towers are complete with padding featuring the school logo for a final finishing touch.

Mitcham Primary School is thrilled with the outcome of the sports courts and are excited to use them during their strong Physical Education program.

***“We absolutely love our new courts and could not be happier with the professionalism of the installation team.” Erin Norman – Principal.***
