

# CUSTOMER SUCCESS STORY

DOMESTIC COURT, MOUNT ELIZA, VICTORIA

## ***Beautiful Mount Eliza Court Construction***

Grassports was awarded the works at the Mount Eliza home because of the extensive services we offer and our prompt and professional manner.

The job was not an easily accessible one, our staff worked through access of approx. 600mm but none the less provided a fantastic outcome. The existing court was old granitic sand and needed to be completely rebuilt. We demolished the existing fencing and constructed a new concrete base and retaining walls.

We surfaced the court in **100% Australian made Court Turf PE** synthetic turf. Accessories used were Championship net posts and a Super Tournament tennis net.

The client has praised us for the court transformation, and we look forward to maintaining the court and client relationship for years to come.
