LYSTERFIELD, VICTORIA

## ***Tennis Court Resurface for Premier Property***

We are so lucky to be able to work on some of Victoria's premier properties, none more so than this stunning Lysterfield residence.

Our client was after a full upgrade of the existing court which included new LED lighting systems, new basketball tower and of course our Australian made *Supergrasse Pro Bounce Cool Plus* synthetic turf.

The quality of workmanship on this project by our inhouse staff was top notch.

***"Amazing service and we couldn't be happier with our new court. Would highly recommend Grassports." – Owner***
