

CUSTOMER SUCCESS STORY

ST LAWRENCE OF BRINDISI CATHOLIC SCHOOL, MELTON SOUTH, VICTORIA

Futsal for St Lawrence Brindisi Catholic School

The new school in Melton South due to open in 2022 now has a fantastic futsal field ready to go. Grassports were awarded the works by Raysett Constructions because of our excellent reputation and over 50+ years' experience in the business.

We supplied and installed a 30mm dust layer to begin on a crushed rock base. Then surfaced the 606m² area in **100% Australian made Supergrasse Court Turf PE** synthetic surface.

The eye-catching field is sure to bring enjoyment to all staff and students as well as providing a high-quality area for sports classes and lunch play.

Fun environments for active people!
