

CUSTOMER SUCCESS STORY

ST VINCENT DE PAUL PRIMARY SCHOOL, STRATHMORE, VICTORIA

Netball Refurbishment at St Vincent De Paul

Grassports has a long standing and strong relationship with St Vincent De Paul Primary School, they recently had us back to complete the netball court facility upgrade.

We surfaced the 1,550m² area in **100% Australian made Supergrasse Court Turf PE**. Line marking includes netball, 3 four-square courts and circle sitting area.

St Vincent De Paul Primary School staff and students are again so pleased with the outcome of the new sports area and are eager to teach and play on it. We look forward to working with them again in the future.
